

Plant List for Planting on the Company's Property at the Lakes

<u>Category</u> <u>common name</u>	<u>scientific name</u>	<u>high</u>	<u>Wildlife value</u>		
			<u>medium</u>	<u>low</u>	
Grasses					
bluestems	<u>Andropogon</u> spp.	x			
sedges	<u>Carex</u> spp.		x		
lezpedezas	<u>Lezpedeza</u> spp.	x			
rushes*	<u>Juncus</u> spp.		x		
clovers	<u>Trifolium</u> spp.	x			
warm season grass mix		x			
Big Bluestem	<u>Andropogon gerardii</u>				
Little Bluestem	<u>Andropogon scoparius</u>				
Broom sedge	<u>Andropogon virginicus</u>				
Side-oats Grama	<u>Bouteloua curtipendula</u>				
Atlantic Coastal Panicgrass	<u>Panicum amarum</u>				
Switchgrass	<u>Panicum virgatum</u>				
Indiangrass	<u>Sorghastrum nutans</u>				
Purple top	<u>Tridens flavus</u>				
Eastern Gamagrass	<u>Tripsacum dactyloides</u>				
Vines					
common trumpet creeper	<u>Campsis radicans</u>	x			
trumpet honeysuckle	<u>Lonicera sempervirens</u>	x			
American bittersweet	<u>Celastrus scandens</u>	x			
Virginia creeper	<u>Parthenocissus quinquefolia</u>	x			
grapes	<u>Vitis</u> spp.	x			
greenbriars	<u>Smilax</u> spp.	x			
blackberries	<u>Rubus</u> spp.	x			
Shrubs					
dogwoods	<u>Cornus</u> spp.	x			
hawthorns	<u>Crataegus</u> spp.	x			
huckleberries	<u>Gaylussacia</u> spp.	x			
inkberry	<u>Ilex glabra</u>		x		
bayberries*	<u>Myrica</u> spp.	x			
common spicebush	<u>Lindera benzoin</u>	x			
pasture gooseberry	<u>Ribes cynosbati</u>	x			
buttonbush*	<u>Cephalanthus occidentalis</u>				x
blueberries	<u>Vaccinium</u> spp.	x			
Small trees					
serviceberries	<u>Amelanchier</u> spp.	x			
black willow*	<u>Salix nigra</u>				x
sweetbay magnolia	<u>Magnolia virginica</u>	x			
American holly	<u>Ilex opaca</u>	x			
eastern redbud	<u>Cercis canadensis</u>			x	

Medium trees

maples	<u>Acer</u> spp.				x
riverbirch	<u>Betula nigra</u>	x			
persimmon	<u>Diospyros virginiana</u>	x			
water hickory	<u>Carya aquatica</u>				
hackberry	<u>Celtis occidentalis</u>				x
Eastern red cedar	<u>Juniperus virginiana</u>	x			

Plant List for Planting on the Company's Property at the Lakes

<u>Category</u> <u>common name</u>	<u>scientific name</u>	<u>high</u>	<u>Wildlife value</u>		
			<u>medium</u>	<u>low</u>	
Large trees					
oaks (willow, red, white, sawtooth, pin)	<u>Quercus</u> spp.	x			
pinus	<u>Pinus</u> spp.	x			
gums	<u>Nyssa</u> spp.	x			
American beech	<u>Fagus grandifolia</u>	x			
Southern magnolia	<u>Magnolia grandiflora</u>				
black walnut	<u>Juglans nigra</u>	x			
black cherry	<u>Prunus serotina</u>	x			
bald cypress*	<u>Taxodium distichum</u>				x

*These plants particularly adept at shoreline stabilization.
