In Consideration of the sum of _____ Dollars, (which sum represents the estimated cost of making the electric line extension provided for herein) received from _____ (hereinafter called the Applicant) by Virginia Electric and Power Company, a Virginia Corporation, doing business as North Carolina Power, (hereinafter called the Company), the receipt of which is hereby acknowledged. The Company agrees to make an electric line extension from the nearest suitable point on the present line or lines of the Company, using standard specifications of the Company for construction, to or through the property of the Applicant, or other property to be supplied under this agreement, as shown by the line or lines marked "Proposed" on the plan attached hereto and made a part hereof and is identified as _____. It is understood and agreed by the parties that the poles, wires, fixtures, conduits and cables, and all other equipment located and maintained under this agreement shall be and remain the property of the Company. A list of customers who have agreed to purchase electricity from the above line extension as soon as said line extension is completed and placed in service is attached hereto and made a part hereof. The list is identified as List of Customers--Electric Line Extension Number _____.

The Company agrees to supply electricity to the Applicant and the Applicant agrees to accept and pay for said electricity furnished from the aforesaid line extension at the same rates and subject to the same terms and conditions of supply which are applicable to

the Company's customers generally in _____ for electricity under the classification
City or County
applicable to this use, as the same may be fixed from time to time by the state regulatory
Commission or in accordance with other legal authorities.

It is further understood and agreed that the Company will reimburse the Applicant to the
extent of the aforesaid sum paid to the Company by the Applicant, but only on the following
conditions:

1. One-fourth of the net amount (not including fuel charge) paid to the Company for
electricity furnished to Original Customers on the line extension constructed under
this agreement will be paid to the Applicant; settlement to be made annually on
February 1 as of the preceding January 1 of each year; provided however,
 - a. That the total amount refunded to the Applicant shall not exceed the aforesaid
sum paid to the Company by the Applicant for the line extension.
 - b. That no refund will be made under this agreement or in any manner connected
with the line extension covered herein after eight years from the date electricity
is made available to Applicant.
2. One-fourth of the net amount (not including fuel charge) received by the Company
during the remaining life of the original eight-year period for electricity furnished
to New Customers, who are defined as customers connected to the line extension(s)

covered by this agreement after the Original Customers have been connected, will also be paid to the Applicant; provided however,

- a. That the Applicant has paid the Company an estimated cost of the additional line extension to supply electricity to the new customer(s).
 - b. That the total amount refunded to the Applicant for all customers shall not exceed the total of the sums paid to the Company by the Applicant for the original line extension and additional line extension(s) covered by this agreement; all settlements under this paragraph shall be made in the same manner as provided in paragraph 1.
3. Any line extension(s) from or of the original line extension(s) constructed under this agreement, not paid for by the Applicant, shall not be considered as a part of the line extension(s) covered by this agreement. No refund shall be made on account of or in connection with any electricity furnished through service connections made from such further line extensions.

It is understood and agreed that the entire cost of that portion of each and every overhead service connection on private property, in excess of any overhead service connection constructed by the Company at its cost in accordance with the Terms and Conditions for the Supply of Electricity filed with the Commission, shall be borne by the Applicant or Customer supplied from the line extension(s) constructed under this agreement.

The Applicant agrees to obtain for the Company, without delay or cost to the Company, permits and rights of way satisfactory to the Company for the above line extension, and the above agreement is accepted by the Company on condition that such permits and rights of way are obtained.

Before the Applicant or any customer may secure electricity from the line extension constructed under this agreement, he/she will be required to sign the standard form of agreement for the purchase of electricity with the Company and comply with the rules and regulations of the Company.
