### INTRODUCTION

(a) This filing sets forth the terms and conditions under which electricity is supplied to its customers by the Virginia Electric and Power Company and is on file with the North Carolina Utilities Commission.

(b) These terms and conditions and all rate schedules and agreement forms for the supply of electricity which are on file with the North Carolina Utilities Commission are subject to modification by the Commission in the manner prescribed by law. Electricity is furnished by the Company only on the terms and conditions and subject to all applicable schedules and agreement forms at the time effectively on file with the Commission.
