II. APPLICATION FOR ELECTRICITY

A. Before any electricity is delivered, the Company reserves the right to require the applicant to:

1. Establish that the applicant is the owner or bona fide lessee of the premises.
2. Execute an application for service, or the most current "Agreement for the Purchase of Electricity" on file with the Commission.

B. Whether or not the Company initially exercises its ability as specified in Section II.A., above, the applicant, by accepting electricity, agrees to:

1. Comply at any time with Paragraphs A.1. and A.2., above.
2. Be bound by the applicable rate schedule(s) and terms and conditions which are currently on file with the Commission.

C. Should at any time the Customer not comply with this section, service may be discontinued in accordance with Section XVI of these terms and conditions.
