

## TERMS AND CONDITIONS

---

### III. INSPECTION

A. The company will be obligated to supply electricity to an Applicant only when the following conditions shall have been complied with:

1. The applicant's installation shall have been made in accordance with the Company's published information and Requirements for Electric Service; and
  2. The Company has received from the Applicant, or if the Company so selects, has obtained for itself a certificate signed by the local inspection authority having jurisdiction certifying that the wiring on the premises of the Applicant has been installed in compliance with the requirements of the North Carolina State Building Code and such other requirements as may be fixed by such authority. All fees or other charges required to be paid in connection with the issuance of such certificates shall be borne by the Applicant. Where there is no such local inspection authority, the Company may require the delivery by the Applicant to the Company of an agreement duly signed by the owner and tenant of the premises authorizing the connection of the wiring on the premises to the Company's conductors and assuming all liability and risk which may result therefrom. Regardless of whether such an agreement is executed the Applicant by accepting electricity assumes all such liability and risk.
- B. Any changes in, or additions to, the original wiring, equipment or appliances of an Applicant or Customer must be installed in compliance with the requirements of an Applicant or Customer must be installed in compliance with the requirements of the North Carolina State Building Code and such other requirements as may be fixed by the local inspecting authority having jurisdiction.
- C. In no event shall the Company be under any obligation to inspect the wiring equipment or appliances of an Applicant or Customer.
