SCHEDULE 25

PRIVATELY OWNED OUTDOOR LIGHTING

III. DETERMINATION OF LIGHTING HOURS

The lighting and non-lighting hours are determined as follows:

A. Lighting Hours

1. For the period of October 1 through March 31, lighting hours are from 5:00 p.m. until 7:00 a.m., daily.
2. For the period of April 1 through September 30, lighting hours are from 7:00 p.m. until 6:00 a.m., daily.

B. Non-Lighting Hours

All hours other than those listed in Paragraph III.A. above, are non-lighting hours.

IV. DETERMINATION OF DISTRIBUTION DEMAND

The Distribution Demand billed shall be such as may be contracted for, but not less than the highest average kW demand measured in any 30-minute interval during the current billing month.

V. METER READING AND BILLING

- A. Meters may be read in units of 10 kilowatthours and bills rendered accordingly.
- B. The Company shall have the option of reading meters monthly or bimonthly. When the meter is read at other than monthly intervals, the Company may render an interim monthly bill based on estimated kWh use during periods for which the meter was not read.
- C. When bills are calculated for a bimonthly period, the Basic Customer Charge and the Distribution Demand Charge shall be multiplied by two.

VI. TERMS AND CONDITIONS

- A. Service will be supplied to and metered at one location on an appropriate structure installed by the Customer and approved by the Company.
- B. All of the Customer's lighting facilities (including conductors) served from a single metered delivery point shall be located on or over contiguous property owned or leased by the Customer.
- C. Electricity usage during non-lighting hours shall only be as appropriate to accommodate lighting equipment testing, maintenance and other limited, infrequent and reasonable daytime uses of the lighting equipment. If, during any billing period, the kWh usage during non-lighting hours exceed ten percent of the total kWh, the Company may remove the Customer from this schedule and require any further purchases of electricity to be made under another schedule as may be applicable.

VII. TERM OF CONTRACT

Open order, unless the Customer or the Company requests a written contract. In such case, the term of contract for the purchase of electricity under this schedule shall be as mutually agreed upon, but not less than one year. During the term of contract, the Customer may be billed on the corresponding Unbundled Rate Schedule, Schedule 25U, if applicable.
